Access to care subsidies

Pramacare is committed to providing compassionate professional care. Thanks to ongoing fundraising in our shops, organised events and donations from our supporters, Pramacare offers its private clients the opportunity of applying for a price subsidy.

The **Fair Care Fee** is a 3-tier subsidy system to further support individuals on a reduced income. A Standard Fair Care Fee subsidy is 10%, the Intermediate subsidy is 25% and the Premier subsidy is 35%.

What does it mean for the individual?

This is your opportunity to review current subsidies provided by both the Government and Pramacare. You may be eligible for additional support.

How do I apply for a subsidy?

Simply contact the Pramacare Offices at the address below and we will arrange for an assessment to be made. Alternatively you can ask the person who normally looks after your Pramacare bill to make arrangements on your behalf.

Will the information I provide be confidential?

Yes, all information that you provide will be treated in the strictest confidence. Pramacare is bound by a confidentiality and code of practice agreement, which applies to all our dealings with every client.

If you have any queries please do not hesitate to call Pramacare on **01202 207300**. Alternatively you could ask your Care Attendant to arrange for a Senior Care Attendant to come and discuss the matter with you.
